

# National Ocean Sciences Bowl

# Rules Judge

# What Do I do?

**1. Stand in front of the room facing the audience.**

**2. Your role concerning rules:**

**You are responsible for ensuring that the rules are followed.**

- **This includes ensuring that the no one signals/communicates with the competitors during a match. If communication does occur, you have the authority to ask the person to leave the room (without causing undue duress -- please).**
- **Ensure quiet.**

**3. Warnings**

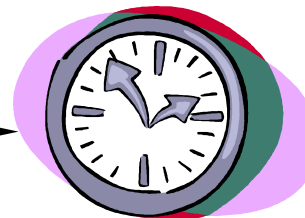

- **If a rule is broken you may, at your discretion, give one warning.**

**4. Pass out Team Challenge Questions and collect extra papers at the end of each Team Challenge Question.**

**5. Collect all used scratch papers from teams at the beginning of the match, at the half, and at the conclusion.**

**6. Time**

- **Ensure that the clock is stopped during discussions between officials, and between officials and students.**

**Challenge?**

- **Ask the timekeeper to stop the clock**
