Tournament Structure

Round-Robin Matches: Rounds 1-7.

The tournament begins with all teams competing in round-robin matches. Teams are divided into two divisions of eight teams each. Each team plays all other teams in its division. Teams accumulate points based on the number of wins, ties and losses. The top eight teams will advance to the quarterfinals. For the Competition Round Robin Schedule, please see the previous page.

Elimination/Trophy Rounds: Rounds 8-10.

For the Varsity Competition the eight highest placing teams in each varsity division (Division 1 and Division 2) will compete for 1st-4th place. For the Junior Varsity Competition, the four highest placing teams in the division will compete for 1st and 2nd place. For the competition's Tournament Bracket, please see the previous page.
